## Amia Miley

*It's been a while since I've seen cute little Amia Miley in a magazine and I gotta thank you for it. She's one fine shorty and I wouldn't mind lubing her pipes.*

## BACK TO THE BAR

Recently, I went out drinking with a buddy of mine in what turned out to be the wildest night of both our lives. It started out at a bar, where Josh and I would meet up when we needed a break. It wasn't anything special most of the time, just getting away. But I'll always remember the night this gorgeous woman sat down between us. Natalie. Well over 6', dark hair flowing down her back and a piercingly bright gaze.

Josh and I both quickly offered to buy her drinks. She laughed, but took the offer regardless, and the three of us got to talking. She men-

tioned that she was only in town for a few days. We offered to show her around, though after a few drinks, she mentioned that she had more up in her room. We took the invitation and followed her down the street to the hotel and up to the room. When we got there, she asked us to come in. We both glanced at each other, but followed anyway, wondering where this was going.

Natalie was heading towards the bathroom as another girl stepped out. If the bar chick was gorgeous, her friend was straight up hot. Smooth, caramel skin gently framed her petit, naked figure that was all on display for us. Tanya was her name. The girls had a whispered conversation before Natalie told us she'd be right back and to make ourselves comfortable.

Josh and I looked at each other before we each took a seat on one of the two beds. Tanya laughed and told me I made the right choice, and she moved over my lap to start grinding. Josh looked over from his bed just as Natalie emerged from the bathroom, wearing a sheer peach nightshirt that barely covered anything.

She made her way to my friend, quickly on her knees. She released his engorged cock and took it deep in her mouth.

Tanya quickly reminded me she was there, shoving her tits in my face. I looked up at her, enraptured by her gaze, her movement, and her enormous breasts. She pushed me back on the bed and undid my pants, finally letting it free. She teased it a few times, making me groan when she bounced my heavy balls in her palms. Before I knew it, she was grinding me again, dancing across my lap.

On the next bed over, Josh was up on one elbow, his other hand holding Natalie's as he thrust his dick hard down her throat. Her hands were down at her crotch, fingering herself in rhythm with her moans.

My dick throbbed against Tanya, who responded with a final move before spinning off my lap. I barely had time to realize the girls swapped before Natalie's face leaned in front of mine. She bit her lip and lowered her ass down on my throbbing cock. Her hole was tight, but she was determined, and she slid down to my balls. She leaned back, showing me her wet pussy and she started to finger it again. That got me going and I started thrusting deep from underneath.

I was too busy with Natalie to see what Tanya was doing with Josh, but their moans were starting to fill the room, even more as Natalie started to let out a scream every time I thrust deeper. I eventually managed to flip her over, and I was able to see that Josh was balls deep in Tanya's pussy. Without a word, we decided to swap again. I threw Tanya's legs up over my shoulders and slid my dick into her hungry clit.

I shook with pleasure as I started to pound away, and it didn't take long before I heard both girls screaming at the same time. Josh and I were grunting away hard and fast. We went as long as we could. Tanya kept screaming for it,

for me to fill her. I finally erupted, spilling seed deep inside and spilling out and over her chest as I fell into her arms.

They let us stay long enough to catch our breath and get dressed. When they kicked us out, Josh and I looked at each other and headed back to the bar.

## GOLD COASTING

I have to admit that I have this thing for Aussie chicks from the Gold Coast. Especially surfer girls. I find them incredibly hot. They're a little more relaxed about themselves than -- say -- chicks from Brisbane or Sydney. I am this way because I had a chance to be with a few in college and they were cool, if you could understand them. I studied pre-med in college and many of them were studying to be nursing students or doctor's aids. Many wanted to go back to help their people, which I find tremendously commendable. But almost all of them wanted to fool around -- a lot -- because when they go back, they will have to do residency so fun times will be over. Some even said "What happens in USA, stays in USA." Those are my kinda gals.

My Gold Coast angel, Angelina and I have been seeing each other on and off for a few months. She's a stunner. Tan skin that makes her beautiful white teeth glow. Hair of silky gold, she's got full, really firm breasts with puffy dark nipples that beg to be sucked.

But Angelina is a bit of a nympho. Has been for over a year that I've known her. At first, like the other Aussie women, she was very, very shy. She had never been kissed nor been at all intimate with a guy. Over the course of a year I led her along the path of seduction. Now, if and when I get to see her, she's a sexual animal, and she's got me wondering how many men she's devoured. I don't really mind because I've been dipping my pen in the college ink, too.

One night as we were sitting in my car af-

ter a nice dinner out, she told me that she was headed back to Australia in two months. Her student visa was expiring and she had to go. It made me sad, I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more passionately. Those luscious rosy lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her body with my hands. Even though we had fucked many times, I felt a sense of urgency in this kiss.

She let out a moan and shuffled in her seat. We both felt cramped in the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back, straddled me and stared into my eyes with a hungry lust that both startled me and intrigued me. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock. I could feel a sixty-nine coming -- my favorite position!

Angel turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock. She took hold of it in one hand and put the cock in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass was stuck straight up in the air and her knees

*hanced, They're perfect. I'd suck those nipples until they were hard enough for her to cum, just by licking and sucking on them.*

*And that fine ass. I'd slap that booty until it went from tan to red. It has a great shape and I'd get behind it and pump cock into her until she couldn't take it anymore.*

*And her sexy mouth. Wow! Full lips wrapped around my cock as I fucked her throat is just what the doctor ordered. She wouldn't be able to take all my*

began to lift up off the ground as I would move my fingers up and around her ass and pussy. She started to kiss the area around my cock and kept adjusting her hair to get comfortable. I grabbed her hips and pulled them down as hard as I could. Her soaking wet pussy lips met my mouth and instantly she let out a warm long and low moan.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. My tongue lapped up all the excess juice and went in search of more. As I concentrated on her moans, I could tell they were escalating in their intensity.

She took my cock and sucked it deeper into her mouth. It was pulling my cock down into her throat. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened. She let out a muffled scream with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval

as I continued to lick at a feverish pace. She dislodged my cock from her throat and mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my ball sac was wonderful.

Angel sat up and took my cock back into her mouth. The warm feeling of her lips and mouth on my cock was unbelievable. She moaned and continued to cup my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time swallowed the amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overwhelmed by the sensation of my cum filling her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people from worlds apart now together and soon to be parted once again.

• William B – in Georgia

*nine inches so, I'd have to take it out of her mouth and into her sweet wet pussy.*

*Then I'd feel her pussy lips around my cock and I would fuck her deep and deeper into her wet, throbbing pussy until she came again and again. Then I'd go get a couple beers and do it all over again.*

*– Oh yeah! Ben*

# PUNK KITTY

Detective Prescott told me to canvass the area.

"Yes, sir," I said, nodding my head in a show of the utmost respect, a genuine response to his command as I had always admired the man. Prescott was a veteran, a damned good cop who knew his job inside and out. I looked up to him, and hoped to climb the rungs until I could call myself a detective. For now it was strictly "yes, sir" and "no, sir" and following orders like the rest of the lowly beat cops.

Prescott tried to question the victim, an increasingly difficult task as she sneezed repeatedly. "Cat allergy," she explained. "That hoodlum must have a cat. Either that or I'm allergic to guns." I smiled, appreciating her sense of humor as I headed for the first apartment house in a long line of identical dwellings.

Accosted while getting out of her car, the woman had been robbed at gunpoint by an assailant wearing a ski mask and an army fatigue jacket. The assailant had gotten away with her purse. The woman was rather fortunate, all things considered. She had survived the ordeal unharmed. Of course this wasn't always the case. I had responded to similar calls which had ended with innocent citizens injured, sometimes even killed.

The neighborhood wasn't the best, but it was far from the worst, mostly old houses long-since converted into cheap apartments. The residents were

an eclectic brew of single adults, college students, and elderly pensioners. Cars lined the curb, one after another, as there was no covered parking in the area.

I knocked on my first door.

And waited.

And knocked again.

And waited some more.

Corrupt cops, the bad apples in the bin, tended to spoil things for the rest of us; such widespread mistrust made my job considerably more difficult.

I worked tirelessly, knocking on doors, pressing buzzers, asking questions of those willing to interact. Nobody had seen a thing. Nothing out of the ordinary. No suspicious activity. People were frightened, selfish; sometimes just downright apathetic. I tried to remain hopeful, but it was hard.

Then I saw the cat.

The odds of the cat belonging to the perpetrator were infinitesimally small. But what did I have? A big fat zero, that's what. Desperate for a lead, no matter how improbable, I decided to trail the frisky feline.

My quarry cut between two garbage cans and darted into an alley. The little bugger was swift. I had to hustle to maintain visual contact. A few times, fearing I had gotten too close, I slowed my pace. I didn't want to scare the thing. God forbid my only

BLAIR-NTS-09

lead gets spooked and sprints away, never to be seen again.

The alley terminated at a waist high chain link fence, which the cat scaled with nimble ease, dropping into a small yard on the other side. I gained entry to the property via a rusty hinged gate. I stood there peering at the rear of the apartment house. There was no back door, so I walked around to the front, entering a shabby foyer in dire need of a fresh coat of paint. I saw four mail boxes affixed to the wall.

The cat had disappeared. For all I knew it hadn't even entered the building. Still, I had to try my luck. I was here, after all.

I ascended a creaky staircase and knocked on the door. The door did not open immediately. I heard music within the apartment. The music was strident, distorted, primitive.

Punk, I thought.

This was confirmed when the door opened. She had a neon green Mohawk. A spiked dog collar encircled her neck. A black leather motorcycle jacket, a short black skirt, fishnet stockings, and battered hi-top sneakers completed her ensemble.

"Sorry to disturb you, ma'am, but there's been an armed robbery—"

"Glenda! Get back in here!"

The cat, the same one I had followed, rushed between her feet and sprinted down the stairs. It was gone, just like that.

"Crazy cat," she said scowling.

She didn't look like your typical armed robber. Still, I had to follow the lead. One never knew. And, given her appearance, my curiosity was piqued.

Confession time: I had always found punk rock chicks immensely attractive. She was a nice diversion from the same old, same old. I tried to imagine her aiming a gun at a defenseless woman, tried and failed. She was edgy, sure. But there was a big difference between edgy and cruel.

"Mind if I come in, ma'am? Just a few routine questions; it won't take long."

"I, uh—"

I took that as a yes.

It was a tiny kitchenette. The sink was filled with sudsy water. She had been washing dishes. The music was coming from a portable CD player perched atop the refrigerator. She turned it off without my prompting.

"What the hell, Frankie!? That's my favorite song!"

Her roommate rushed into the kitchenette. Unlike Frankie, her head was completely shaved. She was thinner, too. Her outfit consisted of a plain white T-shirt, black jeans, and combat boots. A small silver barbell in her nose.

Shaved head was holding a purse; no doubt she had been in her bedroom inspecting its contents when the music died. Had I bothered to conduct a search I'm sure I would've found the mask and jacket.

"Oh." Her eyes bulged with shock. "I didn't know we had company."

"Nice handbag." I snatched it out of her hands. "Where did you get it?"

She was speechless. The color drained from her face.

"Shit, man," Frankie said. "We're fucked, dude. Totally fucked."

Arms crossed, I leaned against a wall adorned with posters of their favorite bands, this while they sat on a threadbare sofa.

Cowed, visibly shaken, shaved head confessed to everything. Hers was a typical story: a young lady doing her damndest to survive in the city, juggling two part-time jobs to pay rent.

In her defense, the gun turned out to be a water pistol.

Frankie had known about the plan, but refused to participate. She had even tried to discourage her roommate. Now she was worried sick about meeting her expenses.

"You're going to jail! How the hell am I supposed to pay the rent now?! We're barely making it with two people!"

Shaved head was on the verge of tears.

"I'm sorry, Frankie," she said. "I never thought—"

"Calm down," I said. "Nobody's going to jail."

They regarded me with much confusion.

"It was a dumb thing to do, a really dumb thing, but I think you've learned your lesson. Nobody was harmed, that's the important thing. And you used a water pistol. The purse has been recovered. I'm willing to sweep this whole thing under the rug if you two solemnly swear to never say a word, not one peep, to any of your friends. I could get in big trouble for letting this go. But, well, I just can't arrest you in good conscience. You're no criminal in my book, and certainly no threat to society."

The look of relief on their faces was priceless. I felt good about what I was doing. Sometimes leniency was the best course.

They followed me into the kitchenette where I retrieved the purse. "I'll tell the woman that I found this in an alley. In his haste and fear, the perpetrator must've dropped it and kept on running. A totally believable story, don't you think?"

"Totally," Frankie said.

"Yeah," said shaved head. "Totally."

I turned to leave when I felt a hand on my shoulder.

"Don't go."

It was shaved head. I got a good look at her brown eyes. There was a definite hunger there, a yearning for me to stay.

"How can I repay you?" she asked.

"You don't owe me a thing."

"Not true," Frankie said. "We owe you a lot."

"I'm just doing my job," I said.

"You're the coolest cop I've ever met," shaved head said. "Most cops are assholes, especially to us punk rock chicks; they like to harass us."

"I'm sorry to hear that."

Frankie invaded my space, standing inches from me. Not that I minded. Like I said, punk rock chicks had always driven me wild.

"I think you have a soft spot for punks," she said, placing her hand on my chest.

"What makes you say that?"

"Instinct," Frankie said.

Shaved head stepped closer, squeezing my shoulder. They were practically pressing me to the wall.

"Are you going to let us repay you?" Frankie asked.

I was speechless. Of course I had heard stories from other officers about women using their charms to get out of speeding tickets and whatnot. Still, I had never experienced this firsthand. But there was a first time for everything. What the hell? I thought. These two were immensely grateful and down for some action. And, truth be known, I hadn't gotten laid in months, not since my girlfriend dumped me for a fireman.

Shaved head said, "I think he is, Frankie. I think he's ready . . ."

They started making out, kissing and feeling each other up. I stood there and enjoyed the spectacle, utterly shocked by my good fortune. This sort of thing just didn't happen to a guy like me. This was the stuff of fantasy, the stuff I dreamed about.

I followed them to the living room, sitting in an old chair while they claimed what was clearly a thrift store sofa. Shaved head dispensed with her clothes, piling everything on the hardwood floor.

"Your boots," Frankie said. "Put them back on. Please, baby. You know how much that turns me on."

Shaved head complied, lacing her

combat boots with much haste. She was quite a sight, totally naked save for her boots. Pale and thin, she had huge nipples, dark brown cones capping a nice set of tits. Her pussy was shaved.

I unzipped my pants, freeing my cock as she liberated Frankie's skirt, shucking it with practiced ease. Then she peeled her lover's black lace panties and tossed them aside. She pushed Frankie's legs apart, spreading her pussy for a frenzied lapping. I stroked myself, sliding my hand up and down, as her tongue basted Frankie's slit. Frankie lowered a hand and fingered her clit, diddling herself while shaved head feasted on her cunt, licking and nibbling.

My vantage point granted me a spectacular view of shaved head's ass. I tugged faster and faster, imagining how marvelous it would be to bang her from behind. Hers was a stellar caboose, milky white, skinny, impossibly tight.

She pressed her face deeper into Frankie's lap, angling her spine, raising her ass just so, effectively framing it for my viewing pleasure. At least, that's what I thought this was, strictly a performance, a live sex show in payment for my granting of clemency. My role was that of spectator, nothing more. And that was perfectly fine. After all, these two were lesbians. They played for a different team.

Or so I thought—

"What are you waiting for?"

Shaved head had come up for a breather; she looked at me over her bony shoulder. "Stick it in, dude. I want you to fuck me while I eat her pussy."

"Oh, yeah," Frankie said. "Then I want to suck you off."

I couldn't remove my belt and pants fast enough; the tools of my trade—cuffs, radio, handgun—hit the floor with a dull thud.

Standing beside the sofa, I lowered a knee to the tattered cushion, positioning my hips behind her ass as she resumed her pussy licking. She was unbelievably

tight. I slid it in, inch by inch, sinking into her hot, velvety hole. I started with slow thrusts, grabbing her narrow hips, digging my fingers into her taut flesh.

Frankie was going wild as shaved head sucked her clit. The dirty old man on the first floor was getting an earful. I upped my pace, pounding my first punk rock pussy with everything I had. I never thought it would happen, never in a million years. Frankie cut loose with an ear-splitting wail. Shaved head had made her come. This motivated me to fuck her even harder. I slammed her pussy with fierce determination, pounding her until she unleashed a scream rivaling her lover's.

I pulled out, moved closer to Frankie, and waved my prick in her face. She gobbled it like a cock-crazed slut, pumping her head back and forth, finishing me with sloppy abandon; frothy saliva oozed down her chin as she took my load in the face. And it was a considerable load; what with my recent sexual drought and all, my balls were brimming with sauce.

Eager to return the purse, I got dressed, and headed for the door.

"Hey," Frankie said, "one thing before you go."

"What's that?"

"How in the hell did you find us?"

"Yeah," shaved head remarked, "I was wondering the same thing."

"Punk kitty," I said.

And left it at that.

It's bath time for sexy Christel and she's having a little too much fun. When her boyfriend goes to check on her, he sees that she's set the hose to massage spraying her pretty pussy. With libido at the max, she's quick to strip her man and clean her pretty little pipes with his hose.
